

New Employee

Name: Kasey Leonard
Department: Medical/reception
Position: Medical assistant/Medical receptionist

Bio:

Kasey received her Medical Assistant Certification from The Salter School in Fall River. She started in healthcare as a teenager filing and pulling medical charts for Brigham and woman's hospital where she also completed her Externship. She graduated school in 2008 and has since worked primarily as a Medical Assistant and Medical Reception float through out all departments in medicine. Struggling with her weight her whole life, she's excited to be able to understand a patients weight loss journey, and provide support wherever it may be needed.
