September 2023

**Melissa Gambrazio**

*Shift Manager/Front Desk/Medical Assistant*

Employee since 2019

**Nickname:** Missy

**Hobbies:** Diamond painting, puzzles, and reading

**Likes:** Zoos, road trips

**Dislikes:** Never enough time to get everything accomplished

**Favorite Part about working at NHM:** My NHM family. I love working with patients as they navigate through their weight loss journey.

I really enjoy being their personal cheerleader and celebrating those victories, even the tiniest of them. I enjoy seeing the smiles on their faces each week.
