**Ilana Patti**

*Nutrition*

Employee since 2023

**Nickname:** My immediate family calls me Lala

**Hobbies:** Cooking, yoga, and photography

**Likes:** Podcasts, house plants, and shopping

**Dislikes:** Waiting in long lines

**Favorite Part about working at NHM:** My favorite part of working at New Horizon Medical is the opportunity to build meaningful relationships with patients. I truly enjoy getting to know each individual, understanding their unique health journeys, and supporting them as they work towards their personal health goals. It's incredibly rewarding to witness their progress and to be a part of their success stories.
